

DAYTON MEETING. April 21 and 22 are the dates - it is all set and the details for our first anniversary meeting at Dayton are complete. We will get together at the downtown Sheraton-Dayton Hotel, 210 N. Main Street, Dayton, in the 3rd floor meeting rooms. The hospitality hours will start at 3:00 PM on Friday and Friday evening a buffet dinner will be served in our meeting rooms between 7:30 and 8:30 PM. Price- 6.85 per person. Hospitality hours begin again right after dinner and end at ????

Saturday hospitality hours start at 5:00 PM, about the time the Dayton Hamfest folds up. Buffet dinner will be served between 6:00 and 7:00 PM. Some formal business will be taken care off at that time.

This meeting of everyone should be great fun and will be an official in person meeting. I see no reason why you should not invite friends over to the hotel to look us over. Also, I see no reason why wives or girl friends should not attend if they wish.

If you want to stay over night at Dayton there are several places available including the Sheraton-Dayton Hotel which has singles for \$14 and doubles for \$18 during the Hamfest. Simply call toll free 1-800-325-3535 to make a reservation. Also, the Downtown Travelodge Motel, 222 East First St. (a block and a half from the Sheraton-Dayton), has singles for \$10 and doubles for \$12. Call toll free 1-800-255-3050 for a reservation.

I must know how many are going to eat dinner with the MRRC each evening. Please fill out the enclosed form and mail it back to me or call me so that I will have the information by April 15. Mail to KBEHU, 6470 Penick Dr., Reynoldsburg, Ohio 43068.

protest a mockery. The cop-out of the CAC instigated by W3GRF, whom Hart had promised to the MRRC would be restrained from taking part in the protest because of his prior prejudicial comments, raises another question.

What can you do? Each MRRC member can help by writing a letter to the CAC members (see QST, Jan. '72, p.10), President Danna, GM Huntoon, CD Mgr Hart and all ARRL Directors, expressing his views of the protest, the manner in which it is being handled, and the MRRC as a club. CAC members can be reached by sending one copy of your letter to League HQ addressed to the CAC. HQ will make copies and forward them to CAC members.

ARRL DX CONTEST. It is all over and it is going to take some time for the smoke to clear and scores to come out. First impression of MRRC activity suggests that the MRRC is not in the running for first place nationwide. Just not enough RP from the MRRC.

CW weekends produced some fine scores by MRRC members. K4GSU had 1.8M points single-op. WA8JUN at 2.0M and W8UM right behind in the single-xmitter/multi-op.

Please send your DX Contest results to K8EHU by mail, telephone or on the air report before May 1.

ON THE AIR GET TOGETHER. The MRRC will get together on the air each Tuesday, 8:00 PM, EST, on 3890 KHz. This will give us a chance to hash problems out and meet each other.

FLASH INPUT. The FLASH needs your input. Equipment mods, tech notes, editorials, cartoons, humor, you name it the FLASH needs it.

A REMINDER. SEND YOUR DAYTON DINNER RESERVATIONS TO K8EHU SO THAT I WILL RECEIVE THEM BY APRIL 15.
