

The final two meetings of the 77-78 season were held September 11 at Findlay and September 18 at Cincinnati. There were 22 Mad River Fish present at Findlay, discussing among other things the Ohio QSO Party, a contesters dinner for the Dayton Hamfest, and W8KIC's proposal for the Golden Minnow award for the top new contesteer in Mad River territory. The Cincinnati meeting had 14 in attendance to talk about the OQP, proposals for an NCJ sponsored Master Contesteer award, and MRRC recruiting.

Mad River has been asked to cosponsor the 1978 Ohio QSO Party in conjunction with the Ohio Council of Amateur Radio Clubs. It appears MRRC would do much of the work and split costs with OCARC. We need a chairman for the event - any volunteers?

The National Contest Journal has offered MRRC two free subscriptions to distribute as we see fit. One will be given to the high total SS score (phone+CW) and the other to the high total CQ WW score. Multis will divide credit among all operators. Good luck, and I hope this helps the Sunday afternoon blahs. Once again, you can subscribe to the NCJ for \$4/Year from P.O. Box 3762, Glendale, Calif. 91201.

NEW CALLS:

K8ND/WB8JXS K8NU/W81ML W8XT/WB8NTY K9JK/WB9LIX

W9LT by the way is still W9LT, not N9DX as rumored. Sorry, Ohio State!

BITS AND MORE BITS:

WB6KIL has been appointed the new contest editor at QST. WA8UQH put up a TH-6 at 50 feet and promises lots of noise in the contests. W9LT is working on his antenna system which will include two sets of monobanders on 50 and 100 foot towers, wire beam for 40, vertical array and rotary dipole for 80, and shunt fed tower for 160. WB4KTR is moving across the river to Ohio where he has 12 acres waiting for big antennas, while Dave is waiting for a 2 letter *8 call. W8KIC adds a new Drake 4C line to his shack. N8ET would like to set up a two meter link(s) with other multi stations for the CQ WW Phone.

FROM THE BIG FISH:

The hamfest season has just ended for another year, now contest season will be here in just a few weeks after antenna fixing/erecting season. CQ WW Phone is but a month away, CW SS five weeks. This is the most important time for each of us to prove just how good we are as operators and together how good we are as a club. I hope each of us will put in his best effort in these contests and make it clear that we're darn good out here in Mad River country. In short,

GO MAD RIVER !

Jim K8MR
