

JUNE MEETING:

June 21, Saturday, will be the date for our second meeting of the year. A map, which is enclosed, shows directions to get to AC8E. The gathering should start around 5:00 P.M. with the meeting kicking off at 7:00. Rumor has it that a keg of brew will be on tap; donations to differ the cost will be accepted!

John has been building his contest station for quite sometime and I'm sure you will be impressed by this layout. See you in Medina.

WPX CW:

WPX CW weekend was a contest of typical CW tests. Poor conditions!! With the Ole Sol out for the summer, I threw in the towel Saturday morning along with many others. Rumor has it; W1CF, K1GQ, and K5RC (K5ZD) are top scorers.

EDITOR'S NOTE:

A severe mistake of meeting place showed up in the last Flash. There will not be a meeting at the Warren Hamfest. A meeting will be held in September at Findley. Details will follow as we get closer.

QRU & V:

When you finish putting up your antenna, or the Wiz-Bang Speech Processor, drop me a line so I can publish it here. We all like to know what, as-well-as who, we have to compete with.

QTH: K3LR
Tim Duffy
202 Euclid Avenue
Sharon, Pa. 16146

P.S:

Payment of dues (\$5.00) for the 1980 year would be appreciated!

Lets all get behind MAD RIVER and be in Medina. Your attendance is essential to our success in the contest season.

See you at Medina, June 21, Sat. 6:00 P.M.

73 for now,

Tim K3LR
