

Well we finally did it we won a trophy.....for those of you who don't read CQ magazine, we one for being the most improved radio club for the 1979 CQ WW contest. Quite a feat for a small amount of entries. I must thank all who sent in their scores, most notably the boys at K8LX with a second place finish both modes, the VP5MRX DX pedition, THE K8NZ second place 10 Meter single band score in the CW half, and the muti-op effort of the boys at AC8E. Congrats to the club!

SWEEPSTAKES

It is that time of year again, and this should prove to be very exciting. Make sure you reserve the first and third weekends in november now before it's to late! We have a very good roster t this year, in fact the best in a long time. If we have more entries than is required for the medium class we will be reclassified to the large class but i'm sure we can do well in either!

Get on and work your club members and remember to send the logs in. NOVEMBER ^{1, 2} ~~1, 2~~ CW _____ NOVEMBER ^{15, 16} ~~15, 16~~ PHONE

BE THERE !

CQ WORLD WIDE PHONE OCTOBER 25, 26

Jim, K8MR will be operating with @5CMX and other G'S At EI6DR.

Tom, K8AZ will be single op all band . Good Luck and KB.....

K3LR and company will be Multi-single trying to better last year's Record !

Propagation should be at an all time high , so get on have fun.

Make sure to put the clubs name on the summary sheet. And

send your score to me.
