

LAST MEETING OF 1980:

What could be better than ending this sunspot filled year than a meeting in Cleveland, Ohio ? I would love to have one more 100 hour during the 80 phone SS!! On the serious side of things folks K8MR has extended a warm greeting to the club to hold the last meeting of 1980 at his home/shack in Cleveland Heights(Directions enclosed). Saturday December 27 from 7 until ??? we will fill the area with beer and as always lots of good B.S.!! Rumor has it that the AZ NZ team from Mentor will be providing the refreshments after going down to a defeat last weekend on 10 Meters. The LR team has agreed to help the cause by bringing some Ironcity for all the Browns fans to drink!

On the roster is plans for 1981 and planning of the dayton meeting. A slide show of the EI9CB operations and Midwest super station N4AR (K4GSU).
