TOTAL CW POINTS:1,868,782

POINTS PER ENTRY:109,928

There it is guys- almost 2 meg on CW, and with only 17 entries. We had some real good efforts this time, but we can't let up now. We need 33 phone scores, each shooting for at least 100K and we can WIN! If you are eligible to compete, make an effort to put in as much time as you can spare and work it as hard as you can-that's all we can ask. See if anybody in your area is on the eligibility list below and get them on. And PLEASE, let either KBND or KBCC know your score, either by a card or by stopping by the Monday Nite Sked on 3825 kHz at 8:30 EST.
